I don't associate with no loafers, and the only way I could told you who is a prizefighter is when he hits me back. But I am going to take it a good look at Chack Dempsey on account I wouldn't want to make no mistake and take it a punch at him. They tell me he don't look like a box fighter at all.

"The thing was all a mistake on account they have a new feller on ar the card by numer- the gate, and he didn't even know who I was. He grebbed me by the coat The Gretna Handicap when I was going in to Maddenstein's Square Garden. I was sorry that for all ages, was won by the poor feller should be so ignorant that he don't know who I am, so I any Dundee's War Mask at 11 to 5, stopped to explanation to him. But he wouldn't listen to me at all, so I got sore and I started to give him a poke in the eye. But when I gave him the poke the eye wasn't there, and, instead, I got it a poke in the

"'Some of our fellers is a little bit rough and their works has lots lumps in it, but a Harward man who could do tricks with a balloting be would make his fortune in Tommany Hall on account the next electi looks like it would be a tough one. You don't know any good Harway graduates with political diplomas that I could hire, do you?

"'I been a sucker that I didn't have Harward men all along instead I am paying a lot of roughnecks and amateurs which they ain't got sen enough to throw a loaded balloting box into the river. A college education is a wonderful thing.'

"So there I am stuck again on account I went to the wrong uniwersity. But I never regret nothing and when my old man, Solomon M. Kaplan, gets here from Kovno I am going to get him on the Princeton pinochle team and I'll bet you he would beat Harward and Yale. Large Bill Edwards told me himseluf that the Princeton Glee Club would go down to Basketball Squad at Alice Island to meet him and give him three Princeton raws and a tiger. My old man would be surprised, all right, on account he ain't a college man himseluf, but is in the collar button and suspenders line when he

sible.

The chief difficulty at present is in the lack of the proper kind of tonnage for the Pacific trade, especially in speedy passenger and cargo steamers which could handle snipments of silk and tea from the Orient. This lack is expected to be made up in a snort time by the delivery to the board of a number of vessels of this type now nearing completion. While there is rapple American tonnage available for crdinary cargo in a number of trades, shipments in these lines are at present on a much reduced scale from the normal.
